## COCHMM Facility Tour – Retriev Technologies

The Central Ohio Chapter of Certified Hazardous Materials Managers is hosting an environmental health and safety facility tour at Retriev Technologies, on Wednesday, July 31, 2019. The tour will begin at 10:00 a.m. and last approximately two hours. Please arrive about 15 minutes early.

For nearly 30 years, Retriev Technologies has built a reputation as a global leader in battery recycling and management. Today, as one of the most knowledgeable and diverse battery recycling companies in the world, we'll learn how they're moving forward to meet the growing demand for custom recycling solutions.

We'll also overview membership and benefits of joining the Central Ohio Certified Hazardous Materials Managers chapter and our upcoming calendar of events.

### Learning Objectives:

- Guests will learn about Retriev's process
- Potential hazards/impacts
- Sustainability implications
- Overview of COCHMM and upcoming calendar of events

### Cost:

FREE to attend!

### Location:

Retriev Technologies  
265 Quarry Road SE  
Lancaster, Ohio 43130

### Dress Code:

Long pants and closed toe shoes are suggested.

### Additional Information:

All participants will need to sign an NDA. We can do it there, just before the tour. Retriev has hard hats and safety glasses we can borrow if you do not want to bring your own.
