## COCHMM Facility Tour – Com-Til Compost

The Central Ohio Chapter of Certified Hazardous Materials managers is hosting an environmental health and safety facility tour on Friday, September 20, 2019. The tour will begin at 10:00am and last approximately two hours. Please arrive about 15 minutes early.

The tour will cover a presentation on the City of Columbus's Com-Til composting process, compliance requirements as well as a tour of the facility itself. Com-Til is a biosolids nutrient-rich composted mulch.

We'll also overview membership and benefits of joining the Central Ohio Certified Hazardous Materials Managers chapter and our upcoming calendar of events.
