

COCHMM

FREE COCHMM Webinar – Combustible Dust Standards

The Central Ohio Chapter of Certified Hazardous Materials Managers is hosting a Health and Safety Webinar on September 14, 2020. The webinar will be held from 1pm-2pm.

The presenter will review the definition and possible origins of combustible dusts, applicable regulatory and consensus standards and typical steps taken to identify and mitigate combustible dust hazards.

We will also overview membership and benefits of joining the Central Ohio Certified Hazardous Materials Managers chapter and our upcoming calendar of events!

Learning Objectives:

- Define combustible dust and be able to identify possible origins,
- Describe possible hazards posed by combustible dust,
- Explain various regulatory and consensus standards related to combustible dust, and
- Give examples of typical steps taken to identify and mitigate combustible dust hazards

Cost:

- FREE to call in and attend!
